Hi Carissa,

I hope your Thursday afternoon is going well! I was wondering if you could share the ADP Tracker chart for OAR regs with us here on the OCIR air team? We had a meeting with OTAQ and OAP today about their outlook for the rest of the year, and the ADP table came up in discussion as potentially helping us keep abreast of what is in store moving forward. As long as it wasn't too much trouble to cc us when you're sending it around monthly, it would be greatly appreciated here.

Let me know what you think.

Thanks,

Matthew
